O R D E R

Parksville Water District (“Parksville District”) has moved that the procedural schedule be suspended and that this matter be held in abeyance. The city of Danville, Kentucky (“Danville”) does not oppose the motion, but moves<sup>1</sup> in the alternative that the scheduled hearing be cancelled, Parksville District’s complaint be denied, and any remaining issues regarding its wholesale water service rates be addressed in Case No. 2008-00176.<sup>2</sup> Having considered the motions and being otherwise sufficiently advised, the Commission finds that Parksville District’s motion should be granted.

---

<sup>1</sup> Danville “respectfully suggests” that the hearing be cancelled and that Parksville District’s complaint be dismissed. Danville’s response at 2. We will consider the “suggestion” as a motion for the proposed action.

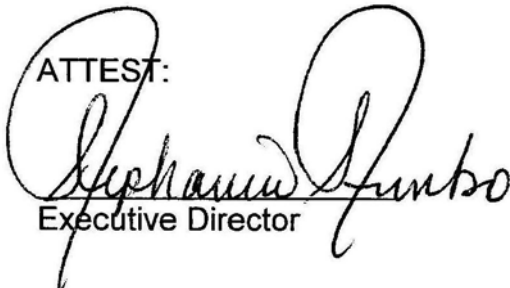

<sup>2</sup> Case No. 2008-00176, Alleged Failure of the City of Danville to Comply With KRS 278.160 and 278.180 and the Commission’s Order of August 10, 1994 in Administrative Case No. 351 (Ky. PSC May 22, 2008).

IT IS THEREFORE ORDERED that:

1. Parksville District's motion to suspend the procedural schedule and to hold this matter in abeyance is granted.
2. Danville's motion for dismissal of Parksville District's complaint is denied without prejudice.
3. Danville's motion for removal of any remaining issues to Case No. 2008-00176 is denied without prejudice.
4. The hearing in this matter, previously scheduled for June 18, 2008, is continued generally.
5. The procedural schedule in this matter is now in abeyance.

Done at Frankfort, Kentucky, this 11<sup>th</sup> day of June, 2008.
